## Stuttgart Health Clinic Modifies Services

The Stuttgart Health Clinic on Patch Barracks has made some changes to services due to a modification in staff and requirements. Presently, patients are being seen in the following order: active-duty, active-duty family members, retirees and pay patients on a space available basis. This is no longer supportable. Until further notice, generally family members, retirees and DOD civilians will be referred to doctors on the economy due to a reduction in clinic staff. If they do receive an appointment at the health clinic, they should arrive 15 minutes prior to the appointment time.

Sick call is daily 7:15 to 8:30 a.m. for active duty only. Appointments will only be made for active-duty patients to see a doctor. For those unable to receive an appointment for a doctor, the triage nurse will review the patient's status and refer them to a doctor. On Thursdays, the clinic is open for sick call in the morning and closes at noon for training. For more info call Sgt. 1st Class Blend at 430-4312/civ. 0711-680-4312.
